

Teacher Guide To Resource Pack

Welcome to your Airship Dreams resource pack! This booklet is jam-packed with information, activities and media sources to keep your class informed and entertained. Take a look below for a breakdown of what's included and a guide to each of the specific resources.

And your students can continue the fun outside of class in our Airship Dreamers Club. The club is a fun and educational resource for those that love using their imagination and learning about what makes things tick. To become a member, receive a fun wallchart and find out how to receive their own Airship Dreamers badge, please direct parents to visit airshipdreams.com.

For more information on airships, our friends at The Airship Heritage Trust have lots of great resources. Please see airshipsonline.com
