MAGIC SHELL POETRY WRITING

Activity 1

Can you finish the sentences to create a poem?

Above the sea, I can see.....

Above the sea, I can hear.....

Under the sea, it is.....

Under the sea, it is.....

Under the sea there are special shells.

There is a shell that is.....

I think this shell is.....

Activity 2

Use these questions to help you get started on your poem...

Imagine you are looking out at the ocean, what can you see, hear and smell?

Now imagine you are swimming under the surface, what is there to explore?

You find shells on the seabed. How do they look and feel?

One of the shells has magical powers, what might they be?

Decorate your poem

Can you draw your shells, cut them out and stick them on your poem?

Send your poem

You can use your envelope to send a copy of your poem to a friend, family member or teacher. I'm sure they would love to read it!
